2. All dwellings or other structures on the lots must be in compliance with the requirements of the DeSoto County Planning Commission.
3. No structure of a temporary nature such as trailers, basements, tents, sheds, garage, barn, motor home, or other out buildings shall at any time be used, either temporarily or permanently, as a residence.
4. No dwelling shall have a carport or garage opening toward the street where lot dimensions cause difficulty otherwise.
5. No noxious or offensive trade or activity may be carried on upon any lot nor shall anything be done thereon which may be, or become a nuisance or annoyance to the neighborhood. No business or trade of a commercial nature may be carried on upon any lot. All lots and houses are to be for residential use only.
6. No shall-type, modular-type or underground home will be permitted or erected in this subdivision. All buildings must be of new construction. 7. No building shall be permitted on any lot where the heated area of the main structure, exclusive of open porches and garages, is less than 1,800 square feet on the ground floor.
8. No signs of any kind shall be displayed to the public view on any lot except one small sign advertising the property during the construction and sale.
9. No oil drilling, oil development operations, refining, gravel mining, or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, gravel excavations or shafts be permitted upon or in any lot. The developer of the subdivision shall retain all mineral rights for the land in HERNANDO HILLS SUBDIVISION, for the purpose of retaining the royalty on said minerals if these minerals are developed on adjacent property.
10. No animals, livestock, or poultry of any kind or description, except the usual household pets, shall be kept on any lot; provided, however, that no household pet may be kept on any lot for breeding or commercial purposes. All household pets shall at all times be suitably leashed or penned, and no household pet shall be allowed at any time to wander or roam the Subdivision unattended. No household pet shall ever be allowed on the Golf Course Property, whether attended or not. Upon any violation of these covenants, Developers, or the owners or lessees of the Golf Course Property may take such reasonable steps as may be necessary to capture, remove, and hold such pet by or for any governmental or non-governmental pet control agency or society. In connection with the foregoing provisions, neither the Developers, or the owners or lessees of the Golf Course Property, nor the agents or employees of any of the foregoing, shall be in any way responsible to the owner or owners of such pet of any harm to such pet or for the loss of use and enjoyment of such pet resulting from such capture, removal, or holding of such pet.
11. No trash, garbage, hazardous waste, or other refuse shall be dumped, stored, or accumulated on any lot. Trash, garbage or other waste shall not be kept on any lot except in sanitary containers or garbage compactor units. Garbage containers shall be kept in a clean and sanitary condition, and shall be placed so as not to be visible from any road, common area, the Golf Course Property, or within sight distance of any other lot at any time except during normal refuse collection. No outside burning of woods, leaves, trash, garbage, or household refuse shall be permitted.
12. No vehicle of any kind shall be kept in the subdivision unless it displays a current license plate and current inspection sticker, except for tractors used for property maintenance only. No junk car, truck or mechanical device that is kept within the right-of-way of the existing street shall be subject to removal by the proper authorities without the permission of the owner.

13. No vehicle, including, but not limited to, recreational vehicles, camping trailers, house trailers, product trailers, boats or any accessory trailers can be parked or stored on any lot unless same is under the carport, in the garage or other outbuilding, or to the rear of the main residence. No tractor trailer can be parked on any lot or on the street, and no trailer without a tractor can be parked on any lot or on the street.
14. No chain link fences may be used. No fence shall be constructed on any lot nearer to any street line than the house line nearest to such street. All fences, including fences for back yards and swimming pools, must be approved by the Developer prior to construction.
15. Construction of any dwelling shall be complete within 18 months from commencement of construction.
16. All gardens must be planted to the rear of any main residence with only landscape materials such as trees, shrubs, and plants allowed in front of the main residence. All persons owning lots in this subdivision shall be required to keep their lots reasonably clean and the yards and landscaping neat.
17. No building shall be erected, placed or altered on any lot in this subdivision until the building plans, specifications and plot plan, showing the locations of such building, shall have been approved in writing as to conformity and harmony with existing structures in this subdivision and as to location of building with respect to topography and finished ground elevation by a representative of Hernando Hills Development Company or its appointed successor.
18. An easement to permit the doing of every act necessary, proper, and incidental to the playing of golf on the Golf Course Property is hereby granted and established and shall continue to exist for so long as any portion of the Golf Course Property adjoining any lot or lots in the Subdivision shall continue to be used and maintained as, or in conjunction with, a golf course or golf courses. Such acts shall include, but not be limited to: (1) the recovery of golf balls from the Golf Course Property by persons on foot lawfully using the adjoining golf course, provided such golf balls can be recovered without damaging any flowers, shrubbery, or the property in general; (2) the flight of golf balls over and upon such lots; (3) the use of necessary and unusual equipment upon such golf course; (4) the usual and common noise level created by the playing of the game of golf; (5) all other common and usual activities associated with the game of golf, and with all of the normal and usual activities associated with the maintenance and operation of a golf course. The owner of each lot which may adjoin the Golf Course Property, by acceptance of the deed to or other conveyance of such lot, assumes all of risk of loss, damage, or injury to persons or property in or upon such lot arising out of the use of and activities upon the Golf Course Property, and no suit, claim, or action shall be made or brought against Developers or the owner or owners of the Golf Course Property, or any servant, agent, or employee of any of them on account of, or arising out of, such use or activities or out of the exercise of such rights by any person or persons entitled thereto, whether or not such use or exercise of such rights by any person or persons entitled thereto, whether or not such use or exercise be performed, or be claimed to have been performed, in a negligent manner; provided however, that the foregoing shall not bar or be deemed to bar against such lot owner from making or bringing suit, claim or action against any persons or entity (other than Developers or owner or owners of the Golf Course Property, their respective successors and assigns, or the servant, agent or employee of any of them) arising out of negligent act or omission of such other person or entity.
19. Developers reserve unto themselves, their successors and assigns, the right to use, dedicate, and/or convey to the State of Mississippi to DeSoto County, to any other municipal or governmental entity or authority and/or to any appropriate public utility company or companies, right-of-way or easements on, under, or upon the ground to erect, maintain, and use utilities, electric, and telephone poles, wires, cables, conduits, storm sewers, sanitary sewers, sanitary sewers, water main, and other suitable equipment, radio and television cables or wires, gas, sewer, water, or other public conveniences or utilities on, in and over the easements along the rear and side property lines of each lot as shown.
20. Drainage flow shall not be constructed nor be diverted from drainage swales, storm sewers, and/or easements as shown on any plat or other instrument of record hereinafter recorded in which reference is made to these restrictions. Developers may cut drainways for surface water wherever such action may appear to Developers or the Board to be necessary in order to maintain reasonable standards of health, safety, and appearance. These easements and rights expressly include the right of developers to cut any trees, bushes, or shrubbery, make any grading of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health and appearance. The provision hereon shall not be construed to impose any obligation upon Developers to cut or maintain any such driveway or easement.
20. Other easements for drainage, utility, pedestains, and sidewalks may be hereinafter created as shown by any plat or instrument hereinafter recorded by Developer.
21. The owner or grantee of any lot which is subject to these restrictions, by acceptance of the deed or other instrument conveying an interest in or title to such lot, or by the execution of a contract for the purchase thereon, whether from Developers or from a subsequent owner of such lot, shall accept, and shall be deemed to have accepted, such deed or other contract upon and subject to each and all of these restrictions and the arrangements herein contained, all of the same being covenants running with the land.
